

WHAT DOES FLORIDA'S **AMENDMENT 4** ACTUALLY SAY?

“
Claims it will
“limit
government”

when it in fact
deprives the
people of setting
any reasonable
limits on late-
term abortions.

This amendment
eliminates basic
health & safety
standards
designed to
protect women.

Ambiguous
terminology.
Viability
changes with
advancements
in medicine and
is not defined
in law.

This creates a
clear conflict of
interest as
viability will be
determined by
the person
financially
incentivized to
sell an abortion.

Title: Amendment to Limit
Government Interference with
Abortion

Full Text: Limiting government
“interference” with abortion. —

Except as provided in Article
X, Section 22, no law shall
prohibit, penalize, delay, or
restrict abortion before
viability or when necessary to
protect the patient's health,
as determined by the
patient's healthcare provider.

Article X,
Section 22
provides
provisions only
to ensure
parents are
notified before
a minor seeks
an abortion.

Too broad.
Courts have
determined
this to mean
unlimited
abortion, even
for financial or
family reasons.

AKA: No
licensed
physician
necessary.

FLORIDIANS DESERVE BETTER THAN
ABORTION IN ALL NINE MONTHS.

VOTE NO ON AMENDMENT 4 ON NOVEMBER 5TH, 2024.
